Best Bites For Bounce

March 1, 2018 | 6:00 – 9:00 PM

Hosted by Savage Smyth | 920 N. Franklin Street

Bounce Children's Foundation® invites you to join
Best Bites for Bounce
presented by Bounce's Emerging Leaders Board
March 1, 2018 | Savage Smyth

When a child is diagnosed, the entire family is diagnosed. Everyone's world turns upside down. No aspect of life is untouched. Diagnosed kids no longer live 'normal' lives, healthy siblings get shunted to the 'back seat,' and parents are forced to manage challenges and crises for which there is no training. Pediatric hospitals offer a vast array of resources, but the situation changes dramatically at home. Kids and families quickly become 'invisible' from the rest of us and 'isolated' from general society.

Bounce transforms the lives of chronically ill children, and their families, enabling all to move from simply surviving to truly thriving – until cures are found.

With a unique portfolio of highly effective and free programs, Bounce is the only organization that offers such critical, life changing support at home and in the community. Whether a family outing, peer support, education, care packages, or access to resources, Bounce is there 24x7 from diagnosis through ongoing treatment – for as long as it takes.

On March 1st, four 'Top Chefs' will present their best small plates. Some 200 guests will delight in a delicious taste test and cast votes for the very best bite! Attendees will also enjoy Signature Cocktails, Mystery Gift Bags, an amazing Raffle, and an outstanding Silent Auction while mingling amongst those they are supporting.

Your generosity enables kids and families who don't deserve the hand life has dealt them, to bounce back from the never-ending setbacks they face. And, your sponsorship is tax-deductible and will be gratefully acknowledged in multiple highly-visible ways.

We would be happy to discuss your participation and answer any questions.

Thank you for your consideration and we hope we can count on your support.
